

# Quantitative Systems Biology

*3 Nov 2017*

## Invited Speakers

Charlotte Deane (University of Oxford)  
Alexander Fletcher (University of Sheffield)  
Julian Gough (MCR, Cambridge)  
Carole Proctor (Newcastle University)  
Peter Swain (University of Edinburgh)

King's College London  
Strand Campus  
WC2R 2LS

**QSB2017** is a student-led workshop. The meeting focuses on theoretical and computational models for processes that lead to or can prevent diseases and genetic disorders.

Talks by invited speakers and a poster session for selected participants.

Organisers: Ryan Hannam, Edgar Herrera, Kirsten Jenkins & Irene Marzuoli
